Case Study - Hollie Pearson

Hollie has been a coach at **Prudhoe Netball Club** for about 3 years. Hollie became a coach here when the club's previous coach retired and in order for the club to continue it needed a coach! She was nervous about coaching due to the **commitment** that it took, but seeing the players develop both at Netball and as people has helped Hollie to enjoy her role as the coach more and more. Hollie **coaches both juniors aged 10-14 and adults ages 14+** now at Prudhoe who train on Wednesday evenings at Prudhoe High School, Juniors 7pm-7.45pm and Adults 7.45pm-9.15pm.

Hollie would encourage others to get involved in coaching netball, the more coaches there are, the more people can benefit from sport and what netball particularly has to offer.
